

Fresh Voices 2009, left to right: Alex Guarco, Emily Delano, Martina Crouch, Melanie Lieberman. Not shown: Charlotte Beach. Photo by Brian Ambrose.

The Fresh Voices competition, a program of Hill-Stead Museum, is an education-through-the arts opportunity for Connecticut high school poets. The five winners in 2009 represent some of the best writing being produced in Connecticut high schools today. Their experience with the Fresh Voices competition culminates with a feature reading in Hill-Stead's nationally acclaimed Sunken Garden Poetry & Music Festival. Proceeds from the sale of this chapbook help benefit the program.
